

Public Notice – Environmental Permit

PURPOSE OF NOTICE: To seek public comment on a draft permit from the Department of Environmental Quality regarding a captive industrial landfill in Winchester, Virginia, and provide procedures for requesting a public hearing.

PUBLIC COMMENT PERIOD: July 25, 2013 to August 26, 2013

PERMIT NAME AND NUMBER: Federal-Mogul Corporation Captive Industrial Landfill, Solid Waste Permit No. 527

PERMIT APPLICANT: Federal-Mogul Corporation

FACILITY NAME AND LOCATION: Federal-Mogul Corporation; 2410 Papermill Road, Winchester, Virginia 22601

PROJECT DESCRIPTION: Federal-Mogul Corporation has applied for a modification to a permit that allows the Federal-Mogul Corporation to operate an existing landfill in Winchester, Virginia. This modification to the permit would allow change of the final cover system by eliminating the 18-inch infiltration layer and change of geomembrane from HDPE to LLDPE. The revised final cover system will consist of, from top down, 6-inch topsoil, 18-inch cover soil, drainage geocomposite, 40-mil LLDPE textured geomembrane, which meets the pre-approval final cover system in accordance with 9 VAC20-81-160.D.2.e. of the Virginia Solid Waste Management Regulations (VSWMR, 9 VAC 20-81-10, *et seq.*). In addition, the groundwater monitoring plan was revised to reflect the regulatory changes from elimination of the Phase I monitoring program to the first determination monitoring program and the closure plan including post closure care was updated to meet the current regulations.

HOW TO COMMENT AND/OR REQUEST A PUBLIC HEARING: DEQ accepts comments and requests for public hearing by e-mail, fax or postal mail. All comments and requests must be in writing and be received by DEQ during the comment period. Submittals must include the names, mailing addresses, and telephone numbers of the commenter/requester and of all persons represented by the commenter/requester. A request for public hearing should also include: 1) The reason why a public hearing is requested. 2) A brief, informal statement regarding the nature and extent of the interest of the requester or of those represented by the requestor, including how and to what extent such interest would be directly and adversely affected by the permit. 3) Specific references, where possible, to terms and conditions of the permit with suggested revisions. DEQ may hold a public hearing, including another comment period, if public response is significant and there are substantial, disputed issues relevant to the permit. The public may review the draft permit and application at the DEQ office named below. Copies of the draft permit and application are also available at Handley Library at 100 W Piccadilly Street, Winchester, VA 22601.
